## The Vision of God's Future

Generosity is directly tied to two things: gratitude for what God has already done, and hope for what God promises yet to do. Giving expresses our thanks and we give to invest in God's future. Take a glimpse into God's exciting future for Prince of Peace! Picture a church that...

- Worships passionately, celebrating how God has been active in our lives throughout the week.
- Expresses the Gospel through acts of love and mercy, taking seriously God's call to do justice.
- Refuses to allow people to walk the road of hardship or suffering alone.
- Engages with our schools to positively impact the lives of children.

Ongoing mission and ministry offerings from everyone provide the current resources for Prince of Peace to reach out in the world in Jesus' name – investing in God's future.

If you already give automatically, thank you! If not, please consider giving through automatic payment options that can assist you in regular, intentional stewardship and provide consistent offerings for God's ministry at Prince of Peace.
