

# Middle School Ministry

# Student Leadership Team

Students entering 6-8th grades in the 2011-2012 school year are invited to deepen their faith and leadership skills through ministry at MSM. Is your “thing” music? Graphic Design? Media arts? Event Planning? Skits? Friendship-strengthening? Praying for others? Organizing our F r e e s t y l e Community Room game time? Technology (video, audio)? Whether it’s “up-front” or “behind-the-scenes” action, dare to believe God could be calling you to see just how much “The Word is Alive” in & through us!

Our year will begin with an off-site fall training retreat in early October to make new friends and plan our year of ministry together.

**Tuesday Format:**

Most weeks will alternate between a one-hour **creative lab experience** (skits, video, music, event planning, etc. ) and one-hour **gospel experiences** (hands-on bible study). The meetings in December and May will be 90-minute combinations of both experiences.
